

## **WIN-NextGen™ Badge Directory**

*Earn Skills. Show Proof. Unlock Your Future.*

Welcome to the WIN-NextGen™ Badge Directory, a gateway to earning verified, future-ready credentials that reflect the skills employers are actively seeking. Each badge represents more than completion. It signals a learner's commitment to growth, their readiness to contribute, and their potential to thrive in today's evolving workforce.

Through our WIN-NextGen™ platform, a learner will build CoreFlex™ Durable Skills, explore career pathways, and gain real-world insights across the world of work and STEM, Supply Chain, and Skilled Trades. Whether you are just getting started or advancing your journey, each badge you earn moves you one step closer to becoming workforce ready.

---

### **Purpose of the WIN-NextGen™ Badges**

The **WIN-NextGen™ Badges** serve three important purposes.

#### **1. Recognize learner achievement**

It celebrates completion of **WIN-NextGen™ programming**, giving members a visible milestone early in their WIN-NextGen™ journey.

#### **2. Build workforce readiness**

The badge confirms exposure to essential **career readiness, leadership, and durable skills knowledge** needed for the modern workplace and the future of work, preparing learners for opportunities across the 3S Workforce™, STEM, Supply Chain, and the Skilled Trades, and beyond.

#### **3. Provide a portable credential**

Learners can display the badge on:

- LinkedIn
- digital portfolios
- college applications
- resumes

- WIN-NextGen™ profiles

### **Value for Schools and Partners**

Schools, workforce organizations, and youth programs can license the **GT3S™ Core 10 Badge Program** to provide their students with a structured introduction to workforce readiness.

Benefits include:

- standardized career readiness curriculum
- digital badge credential
- engagement through micro-learning
- early workforce awareness
- alignment with modern durable skills expectations
